## **Python - how to think like a computer scientist exercise - stack overflow**

The problem is the fact that remove modifies the underlying list - it doesn't return a new list. Change it to: `num_list.remove(biggest)` `sum_of_two`

Nowadays, it's difficult to imagine our lives without the Internet as it offers us the easiest way to access the information we are looking for from the comfort of our homes. There is no denial that books are an essential part of life whether you use them for the educational or entertainment purposes. With the help of certain online resources, such as this one, you get an opportunity to download different books and manuals in the most efficient way.

Why should you choose to get the books using this site? The answer is quite simple. Firstly, and most importantly, you won't be able to find such a large selection of different materials anywhere else, including PDF books. Whether you are set on getting an ebook or handbook, the choice is all yours, and there are numerous options for you to select from so that you don't need to visit another website. Secondly, you will be able to download Python For Software Design: How To Think Like A Computer Scientist By Allen B. Downey pdf in just a few minutes, which means that you can spend your time doing something you enjoy.

But, the benefits of our book site don't end just there because if you want to get a certain by Allen B. Downey Python For Software Design: How To Think Like A Computer Scientist, you can download it in txt, DjVu, ePub, PDF formats depending on which one is more suitable for your device. As you can see, downloading Python For Software Design: How To Think Like A Computer Scientist By Allen B. Downey pdf or in any other available formats is not a problem with our reliable resource. Searching for rare books on the web can be torturous, but it doesn't have to be that way. All you should do is browse our huge database of different books, and you are more than likely to find what you need.

What you will also be glad to hear is that our professional customer support is always ready to help you if you have issues with a certain link or get any other questions regarding our online services.
